Provider: Camp ALEC – AAC Literacy Education Community

A week long independent summer literacy camp for kids who use some form of augmentative and alternative communication. Campers will enjoy typical camp experiences such as boating, swimming, rock wall climbing and zip lines. 1:1 care is provided, as needed, by Indian Trails Camp. A nurse is on staff 24/7. We accept 20 campers ages 7-21. 20 professionals in the field attend to learn under the guidance of Drs. Karen Erickson and David Koppenhaver. We do not provide speech therapy, but we do provide a fun literacy experience for our campers. Campers leave with a written report that details areas of weakness and trialed intervention strategies to help our campers in literacy. All literacy activities are supervised under the direction of Drs. Karen Erickson and David Koppenhaver. You can find applications & more information at www.campalec.com
